

## Lesson Plan

**Class- B. A. III**

**Sem.- 5<sup>th</sup> ( A)**

**Subject: Geography**

Name of the Assistant Professor: **Parveen Kumar**

Paper- **Economic Geography**

**Months: August, 2022**

Week/ Dates	Topic
16.08.2022 to 20-08.2022	Introduction to Economic Geography Nature and Scope Economic Geography Method of studying Economic Geography
22.08.2022 to 27-08.2022	Branches of economic geography R/ship of economic geography with other social science branches Importance of economic geography
29.08.2022 to 03-09.2022	Economic activities Primary Economic activities- Gathering, Hunting, Lumbering, Cattle grazing, Fisheries, Mining and Agriculture

**Months: September, 2022**

Week	Topic
05.09.2022 to 10.09.2022	Impact of Primary Economic activities on environment Secondary economic activities and their impact on environment Tertiary, Quaternary economic activities and their impact on environment Test Section A
12.09.2022 to 17.09.2022	Nature resource- Concept, Meaning and Definitions Resource, Obstacles and Neutral Stuff Classification of Natural Resources
19.09.2022 to 24.09.2022	Natural Resource Conservation and Utilization Planning for Natural Resources Conservation Test Section B
26.09.2022 to 01.10.2022	Agriculture- Meaning & importance Types of crops Spatial distribution and production of food crops- Rice and Wheat

**Months: October, 2022**

Week	Topic
03.10.2022 to 08.10.2022	Spatial distribution and production of commercial- Cotton and Sugarcane
10.10.2022 to 15.10.2022	Spatial distribution a production of commercial plantation crops –Tea, Coffee and Rubber

16.10.2022 to 21.10.2022	Classification of mineral Resources- ferrous and non- ferrous Distribution & production of iron ore Distribution & production of coal
31.10.2022 to 05.11.2022	Distribution & production of petroleum Distribution & production of natural gas Test Unit C

Months: **November, 2022**

Week	Topic
07.11.2022 to 12.11.2022	Manufacturing industries Affecting factor of location of Industries Classification of Industries Iron & Steel Industries- location & effecting factors World distribution of iron & steel industries
14.11.2022 to 19.11.2022	World distribution of iron & steel industries Iron & steel industries India Textile industry- Factors affecting the location
21.11.2022 to 26.11.2022	World cotton textile industries Cotton textile industries in India Woolen textile industries & Silk textile industries Jute industries
28.11.2022 to 03.12.2022	Industrial regions – introduction & characteristic Transport and communication & trade – geographical factor on their development Major mode of water , air & land transport

Months: **December, 2022**

Week	Topic
05.12.2022 to 10.12.2022	Recent trends in international trade Advantage & disadvantages of international trade Test Unit D
12.12.2022 to 17.12.2022	Revision

### Lesson Plan

**Class- B. A. III**

**Sem.- 5<sup>th</sup> B (1-3)**

**Subject: Geography**

Name of the Assistant Professor: **Parveen Kumar**

Paper- **Economic Geography**

**Months: August, 2022**

Week/ Dates	Topic
16.08.2022 to 20-08.2022	Nature resource- Concept, Meaning and Definitions Resource, Obstacles and Neutral Stuff
22.08.2022 to 27-08.2022	Classification of Natural Resources
29.08.2022 to 03-09.2022	Natural Resources- Conservation and Utilization

**Months: September, 2022**

Week	Topic
05.09.2022 to 10.09.2022	Planning for Natural Resources Conservation Test Section B
12.09.2022 to 17.09.2022	Agriculture- Meaning & importance Types of crops
19.09.2022 to 24.09.2022	Spatial distribution and production of food crop- Rice
26.09.2022 to 01.10.2022	Spatial distribution and production of food crop- Wheat

**Months: October, 2022**

Week	Topic
03.10.2022 to 08.10.2022	Spatial distribution and production of commercial crop- Cotton and Sugarcane
10.10.2022 to 15.10.2022	Spatial distribution and production of plantation crop- Tea and Coffee

16.10.2022 to 21.10.2022	Spatial distribution and production of plantation crop- Rubber Revision of Crops
31.10.2022 to 5.11.2022	Classification of mineral Resources- ferrous and non- ferrous

**Months: November, 2022**

Week	Topic
07.11.2022 to 12.11.2022	Distribution & production of iron ore
14.11.2022 to 19.11.2022	Distribution & production of Coal
21.11.2022 to 26.11.2022	Distribution & production of Petroleum
28.11.2022 to 03.12.2022	Distribution & production of Natural Gas

**Months: December, 2022**

Week	Topic
05.12.2022 to 10.12.2022	Test Unit C
12.12.2022 to 17.12.2022	Revision
